4. No resident, guest of a resident, or delivery or service vehicle may be prohibited from accessing a properties.
5. No temporary structures, tents, vehicles, or other obstructions which cannot readily be moved aside by hand are permitted on the paved street area. No recreational structures such as skateboard ramps, basketball poles, volleyball poles, bouncy houses, etc. may be erected on the street or within the right-of-way without permission from the Road and Maintenance Department.
6. Under no circumstances may holes be made in the street.

4. Do not stretch wires, ropes, nets, lights, banners and other items across the street. These could prevent access by emergency vehicles.
5. If grills are used for cooking, please think ahead. Position grills safely and have fire extinguishing equipment at hand. The Orange Township Fire Department is available to advise you free of charge in this regard (740-548-7104).
6. If traffic control or security is a concern, please call the Sheriff's Department (740-833-2810). We do not recommend the use of non-police personnel to direct traffic. Non-police personnel are prohibited from directing traffic on streets adjacent to or not included in the event.
