1. EXECUTIVE SUMMARY

Our mission is to serve the residents, by offering vital services to enhance their value of life and to support those who work and partner with Orange Township.

Orange Township has consistently delivered services to our community which include but are not limited to administrative, fire, human resources, roads, parks, facilities and zoning. Orange Township continues to expand our operations to effectively address the needs of our growing community.

In addition to providing essential services, Orange Township has also spearheaded additional initiatives, both internally and for the greater community which you will see outlined within our completed achievements.

Both our mission statement and core values were implemented in 2022. Specifically, the core values below set the stage when categorizing our achievements.

- **Community:** We value honest and respectful relationships both internally and externally
- **Pride:** We value the satisfaction of a job well done
- **Results:** We value accomplishments done with integrity
- **Development:** We value continuous personal and organizational growth
- **Stewardship:** We value the efficient and effective use of resources
